Joshua Allcorn

Joshua Allcorn is the real deal. He's genuine, sincere, and honest. Born in August (17th) of 1985, Joshua found Jesus as his personal savior at a very early age. Later in those years of his life, he began to show the signs of a prophetic calling. Later confirmed by prophetic utterance, Joshua has proven to be a good judge of character. He trained for ministry under the elders of his church, and later joined the Masters Commission. While attending school in Florida he traveled to the suburbs of California and even to Mexico to obtain field experience in ministering to the lost and homeless.

Serving God with a passion, Joshua is a fully licensed minister of the Gospel, licensed through Spirit of Truth Ministries, Int'l. He is well able to rightly handle the Word of Truth. Joshua is not your typical teacher. He prefers a casual, one-on-one experience, or small groups. He keeps it informal, making his audience comfortable as

he speaks. A master of voices and impressions, Joshua can make even the most straight-laced of individuals buckle over in laughter!

Josh is serious minded, however, when it comes to ministry and ministering to those in need. True to the nature of a prophet, he has no problem telling you the truth. He has a deep love for people, but understands that true love means that you don't always "sugar-coat" your message. He's a gentleman, in every way, but he's also direct when he needs to be. He truly has the heart of a pastor!
